# Safety Instruction Guide for 1" Scope Ring

## Introduction

Thank you for choosing the 1" Scope Ring. This product is designed to provide a secure and reliable attachment for your scope on Ruger rifles and handguns. It is important to read and understand this safety instruction guide to ensure safe usage and proper installation.

## General Safety Guidelines

- Always handle the scope rings with care to avoid damage.
- Ensure that the scope rings are compatible with your firearm before installation.
- Inspect the scope rings for any signs of damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the 1" Scope Ring with firearms designed for this product.
- Ensure that the scope is properly secured in the rings before use.
- Avoid overtightening the rings, which could damage the scope or firearm.
- Use the appropriate height of rings for your specific firearm model.
- If using offset rings, ensure they are installed according to the instructions to prevent scope misalignment.
- Be aware of your surroundings and ensure a safe shooting environment when using firearms equipped with the scope.

## Instructions for Installation and Usage

### 1. Compatibility Check

- Verify that the 1" Scope Ring is compatible with your firearm model. Refer to the list of compatible models provided in the product specifications.

### 2. Installation Steps

- Gather all necessary tools, including a torque wrench, to ensure proper installation.
- Remove any existing scope rings or attachments from the firearm.
- Position the base of the scope ring onto the firearm's integral base or factory base.
- Align the ring with the scope tube and ensure the scope is level.
- Secure the ring by tightening the screws evenly. Use a torque wrench to apply the recommended torque settings.
- If using offset rings, install according to the instructions provided for optimal eye relief adjustment.

### 3. Usage Guidelines

- After installation, check the scope for stability and alignment.
- Make adjustments to the scope as needed for accuracy.
- Always follow safe firearm handling practices while using the equipped firearm.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- At the end of the product's life, dispose of the scope rings in an environmentally friendly manner. Check local guidelines for recycling or disposal of metal and plastic components.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1" Scope Ring, please refer to the manufacturer's website or customer support resources for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1" Scope Ring. Always prioritize safety and proper handling when using firearms and their accessories.
