Safety Instruction Guide for 1" SCOPE RING 30MM SCOPE RING, 4K30, MEDIUM, SS

Introduction

Thank you for choosing the 1" Scope Ring 30mm Scope Ring, 4K30, Medium, SS. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the scope rings are compatible with your firearm model before installation.
- Always check for any visible damage or defects in the scope rings before use.
- Store the product in a dry, cool place away from direct sunlight to prevent deterioration.
- Keep the product out of reach of children and vulnerable individuals to avoid accidents.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions when installing and using the scope rings.
- Use the correct height of rings for your specific firearm model to avoid misalignment.
- Do not exceed the recommended torque specifications when tightening screws to prevent damage.
- Regularly inspect the scope rings for wear and tear, especially after extensive use.
- If using offset rings, ensure they are properly installed to avoid scope movement.

Instructions for Installation and Usage

1. **Preparation:**

   - Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
   - Ensure the firearm is unloaded and pointed in a safe direction.

2. **Installation:**

   - Place the base of the scope ring on the firearm's integral base or factory base.
   - Align the ring with the scope tube and ensure it is level.
   - Secure the ring by tightening the screws evenly. Refer to the torque specifications provided by the manufacturer.
   - For offset rings, install according to the instructions to achieve the desired eye relief.

3. **Usage:**

   - After installation, check that the scope is securely attached and does not move when adjusted.
   - Make sure to check the alignment and eye relief before taking the firearm to the range.
   - Regularly check the screws and rings during use to ensure they remain tight.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling components where possible or return to the manufacturer for proper disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer. Ensure to have the product details at hand for efficient support.

Thank you for following these safety guidelines. Your safety and the safety of others depend on the proper use and maintenance of your 1" Scope Ring 30mm Scope Ring, 4K30, Medium, SS.
