Safety Instruction Guide for TRANSFER BAR, SS

Introduction

Thank you for purchasing the TRANSFER BAR, SS. This product is designed for use with Ruger firearms, specifically the Bisley™ Large Frame, New Model Blackhawk®, Super Blackhawk®, .44 Mag, Super Blackhawk® Hunter, .44 Mag, and Vaquero®. This guide provides essential safety instructions to ensure safe handling, installation, and use of the transfer bar.

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded before performing any maintenance or installation.
- Keep the transfer bar and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Store firearms and components securely to prevent unauthorized access.
- Report any unsafe products or incidents to relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the transfer bar is compatible with your Ruger firearm model.
- Do not attempt to modify or alter the transfer bar in any way.
- Always follow the manufacturer's instructions for installation and usage.
- Use protective eyewear when handling or working on firearms.
- If you experience any issues with the transfer bar, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation:

- Remove the grip panels of the firearm as per the manufacturer's instructions.
- Locate the existing transfer bar and carefully remove it.
- Install the new TRANSFER BAR, SS by aligning it properly within the firearm's mechanism.
- Reassemble the firearm, ensuring all components are securely in place.

3. PostInstallation Check:

- After installation, perform a function check to ensure the transfer bar operates correctly.
- Confirm that the firearm cycles properly and that the transfer bar engages as intended.

4. Usage:

- Always follow safe firearm handling practices during use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Check the functionality of the transfer bar regularly, especially before use.

Disposal Instructions

- Dispose of any used or damaged transfer bars according to local regulations.
- Do not dispose of the transfer bar in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's official contact points or consult a qualified gunsmith.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others are our top priority. Always prioritize responsible firearm handling and maintenance practices.
