HAMMER PLUNGER PIN Safety Instruction Guide

Introduction

Thank you for choosing the HAMMER PLUNGER PIN designed specifically for RUGER REVOLVERS. This guide provides essential safety instructions to ensure the safe use and installation of this product. Please read this document carefully before use to understand important safety guidelines and operational procedures.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols associated with firearm usage.
- Ensure that the HAMMER PLUNGER PIN is compatible with your specific RUGER model (e.g., Bisley™, New Model Blackhawk®, New Model SingleSix®, Super Blackhawk®, Super Blackhawk® Hunter, Vaquero®).
- Store the product in a secure location away from children and unauthorized users.
- Regularly inspect the HAMMER PLUNGER PIN for any signs of wear or damage before use.
- Follow local laws and regulations regarding firearm safety and maintenance.
- If you experience any issues or concerns regarding the safety of this product, discontinue use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or maintenance of the HAMMER PLUNGER PIN.
- Use appropriate tools and follow manufacturer guidelines during installation to avoid damaging the firearm or the pin.
- Wear safety glasses during installation to protect your eyes from potential debris.
- Do not attempt to modify or alter the HAMMER PLUNGER PIN in any way, as this may compromise its safety and functionality.
- Keep fingers and other body parts clear of the action when installing or adjusting the HAMMER PLUNGER PIN.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation, including a punch tool and a hammer.

2. Installation Steps:

- Remove the existing plunger pin from the firearm by carefully driving it out with the punch tool and hammer.
- Align the new HAMMER PLUNGER PIN with the designated hole in the firearm.
- Gently drive the new pin into place using the punch tool. Ensure it is seated securely and evenly.
- Check that the pin is fully inserted and that the action of the firearm operates smoothly without obstruction.

3. PostInstallation Check:

- After installation, perform a function check on the firearm to ensure that it operates correctly.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Ensure that any discarded items do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact the relevant support services. Ensure to have your product information available for reference.

By adhering to these guidelines, you can ensure the safe and effective use of the HAMMER PLUNGER PIN with your RUGER REVOLVER. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important safety instructions.
