GRIP PANELS Safety Instruction Guide

Introduction

Thank you for choosing the GRIP PANELS, Laminated Rosewood Grip Panels. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle your firearm with care and respect.
- Ensure that the firearm is unloaded before installing or handling the grip panels.
- Keep the grip panels and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grip panels for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm safety and handling.

Specific Safety Precautions for Use

- Use only with compatible firearm models: New Model Blackhawk®, New Model SingleSix®, Old Army™, .45, and Vaquero®.
- Ensure that the grip panels are securely attached to the firearm before each use.
- Avoid exposing the grip panels to extreme temperatures or moisture, as this may affect their integrity.
- If you notice any defects or issues with the grip panels, discontinue use immediately and seek assistance.
- Do not modify the grip panels in any way, as this can compromise safety and performance.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation, typically a screwdriver.

2. Installation Steps

- Remove the existing grip panels from the firearm by unscrewing the screws carefully.
- Align the new laminated rosewood grip panels with the firearm's grip frame.
- Secure the grip panels using the screws provided, ensuring they are tightened but not overtightened to avoid damage.

3. Usage

- Hold the firearm securely by the grip panels.
- Practice safe shooting techniques and maintain control of the firearm at all times.

4. PostInstallation Check

- After installation, doublecheck the screws to ensure they are secure.
- Test the grip panels for stability before using the firearm.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the grip panels become damaged beyond repair, follow local guidelines for disposing of wooden materials.

Contact Information for Further Support

For any safety inquiries or assistance, please reach out to the designated EU contact point. Ensure you have the product details on hand for a quicker response.

By following these guidelines, you can ensure safe and effective use of your GRIP PANELS, Laminated Rosewood Grip Panels. Always prioritize safety and responsible handling of your firearm.
