Safety Instruction Guide for GRIP FRAME SCREW/PIVOT LOCK, SS

Introduction

Thank you for choosing the GRIP FRAME SCREW/PIVOT LOCK, SS. This product is designed for use with various Ruger firearms, including the Bisley™ Large Frame, Bisley™ Small Frame, New Model Blackhawk®, New Model SingleSix®, Super Blackhawk®, .44 Mag, Super Blackhawk® Hunter, .44 Mag, and Vaquero®. Please read this safety instruction guide carefully to ensure safe installation and usage.

General Safety Guidelines

- Ensure that the product is used in compliance with the manufacturer's instructions.
- Always handle firearms with care and treat them as if they are loaded.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if damaged.
- Store the product in a dry and secure location.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Do not attempt to modify or alter the product in any way.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Identify the appropriate location on the grip frame for the screw/pivot lock.
- Align the screw/pivot lock with the mounting hole.
- Use the appropriate tool to securely tighten the screw, ensuring it is not overtightened to prevent damage.

3. Usage:

- After installation, perform a function check to ensure that the screw/pivot lock is securely in place.
- Regularly inspect the installation during routine maintenance of the firearm.

Disposal Instructions

- Dispose of the product according to local regulations regarding the disposal of metal parts.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries or concerns regarding the GRIP FRAME SCREW/PIVOT LOCK, SS, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can help ensure your safety and the proper functioning of the GRIP FRAME SCREW/PIVOT LOCK, SS. Thank you for your attention to safety.
