Introduction

Thank you for choosing the BASE PIN LATCH NUT, BLUE. This product is designed to fit various Ruger models, ensuring reliable performance and safety during use. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this instruction manual.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the BASE PIN LATCH NUT.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Use the product only as intended and in accordance with the manufacturer's guidelines.
- In case of any accidents or injuries, report them to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the BASE PIN LATCH NUT is compatible with your specific Ruger model before use.
- Do not modify the product in any way, as this may compromise safety.
- Always follow the firearm's manual for guidance on the installation and maintenance of parts.
- Wear appropriate safety gear, such as eye protection, when working with firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms equipped with this product.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

2. Installation Steps

- Locate the base pin on your Ruger firearm.
- Remove the existing latch nut if applicable.
- Align the BASE PIN LATCH NUT with the base pin and ensure it fits securely.
- Tighten the latch nut gently but firmly, ensuring it is secure without overtightening.

3. PostInstallation Checks

- After installation, check the latch nut to ensure it is properly secured.
- Perform a function check on the firearm to ensure it operates correctly with the new latch nut installed.

4. Usage

- Follow all standard safety procedures when handling and using your firearm.
- Regularly check the latch nut for signs of wear or loosening during routine maintenance.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or disposal facility.
