Safety Instruction Guide for TRIGGER PIVOT PIN FOR RUGER BLACKHAWK

Introduction

Thank you for purchasing the TRIGGER PIVOT PIN FOR RUGER BLACKHAWK. This guide provides important safety information and instructions for the safe installation and use of the product. Please read this guide carefully before using the product to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the TRIGGER PIVOT PIN with care and in accordance with the manufacturer's instructions.
- Ensure that the product is compatible with your firearm model before installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Only use the TRIGGER PIVOT PIN with the following compatible models:
 - Bisley™ Common Parts
 - New Model Blackhawk®
 - New Model SingleSix®
 - Super Blackhawk®, .44 Mag
 - Super Blackhawk® Hunter, .44 Mag
 - Vaquero®
- Ensure that the firearm is unloaded before attempting to install or remove the TRIGGER PIVOT PIN.
- Use proper tools and techniques during installation to avoid injury or damage.
- Do not attempt to modify the TRIGGER PIVOT PIN or use it in a manner not specified by the manufacturer.
- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a punch tool and hammer.

2. Installation Steps

- Remove the existing trigger pivot pin from the firearm using the punch tool.
- Align the new TRIGGER PIVOT PIN with the designated holes in the trigger assembly.
- Gently tap the new pin into place using the hammer and punch tool until secure.
- Verify that the pin is properly seated and does not protrude excessively.

3. PostInstallation Check

- Conduct a function test of the firearm to ensure that the trigger operates correctly.
- Inspect the installation area for any signs of misalignment or damage.

4. Usage

- Regularly check the TRIGGER PIVOT PIN for wear and secure fit during routine maintenance.
- If any issues arise during use, cease operation immediately and inspect the firearm.

Disposal Instructions

- Dispose of any damaged or wornout TRIGGER PIVOT PIN in accordance with local regulations for hazardous materials.
- Do not dispose of the product in household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or to report unsafe products, please refer to the EU's Safety Gate platform for updates and assistance. Ensure that you have all relevant product information at hand when seeking support.

By following these safety instructions, you can ensure the safe and effective use of the TRIGGER PIVOT PIN FOR RUGER BLACKHAWK. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
