# EJECTOR BOLT STOP, SS Safety Instruction Guide

## Introduction

Thank you for purchasing the Ejector Bolt Stop, SS. This product is designed for use with Ruger Mini14® Ranch Rifle (Serial # Prefix 187188, .223) and Mini30® (7.62 x 39). This guide provides essential safety instructions to ensure the safe installation and usage of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the Ejector Bolt Stop is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Store the product in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the Ejector Bolt Stop for signs of wear or damage.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use only with Ruger Mini14® and Mini30® rifles as specified.
- Do not modify the Ejector Bolt Stop in any way.
- Ensure the firearm is unloaded before installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including a screwdriver.

### 2. Installation:

- Locate the existing bolt stop on your firearm.
- Remove the old bolt stop carefully, taking note of the installation method.
- Align the Ejector Bolt Stop, SS with the mounting area.
- Secure the Ejector Bolt Stop in place using the appropriate screws or fasteners.

### 3. PostInstallation Check:

- Verify that the Ejector Bolt Stop is firmly installed and does not move.
- Conduct a function test to ensure the firearm operates correctly with the new part.

### 4. Usage:

- Follow all standard operating procedures for your firearm.
- Regularly check the Ejector Bolt Stop for proper function during routine maintenance.

## Disposal Instructions

- Dispose of the Ejector Bolt Stop according to local regulations regarding firearm components.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Ejector Bolt Stop, please consult a qualified firearms expert or your local Ruger dealer. Ensure that you have the product details at hand for efficient assistance.

By following these guidelines, you will ensure the safe and effective use of the Ejector Bolt Stop, SS. Thank you for prioritizing safety in your firearm practices.
