BOLT STOP STUD SCREW Safety Instruction Guide

Introduction

Thank you for choosing the BOLT STOP STUD SCREW, designed specifically for use with Ruger M77 and M77 MK II firearms. This guide provides essential safety instructions and information to ensure safe installation and use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is suitable for your specific model of firearm before use.
- Always handle firearms with care and ensure they are unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Verify that the firearm is in a safe condition before attempting any installation.
- Do not attempt to modify the BOLT STOP STUD SCREW or use it in a manner not specified in this guide.
- If you are unsure about the installation process, consult a qualified gunsmith for assistance.
- Keep the work area clean and free from distractions while installing or using the product.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and the safety is engaged.
- Gather necessary tools, including a screwdriver suitable for the screw head type.

2. Installation Steps

- Locate the bolt stop area on your Ruger M77 or M77 MK II.
- Carefully remove the old bolt stop stud screw if applicable.
- Align the new BOLT STOP STUD SCREW with the mounting hole.
- Using the screwdriver, gently tighten the screw until secure, ensuring not to overtighten, as this may damage the threads.

3. PostInstallation Check

- After installation, check that the bolt operates smoothly and that the screw is secure.
- Test the firearm in a safe environment to ensure proper functionality.

Disposal Instructions

- Dispose of any packaging materials responsibly, adhering to local recycling guidelines.
- If the product becomes damaged or is no longer usable, dispose of it in accordance with local waste disposal regulations.
- Do not throw the product in regular household waste; check for designated disposal sites for hazardous materials if applicable.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the official Ruger website or consult your local firearms dealer.

By following these guidelines, you can ensure the safe and effective use of the BOLT STOP STUD SCREW with your Ruger M77 or M77 MK II firearm. Thank you for prioritizing safety in your firearm handling practices.
