Safety Instruction Guide for 1" Scope Ring

Introduction

Thank you for choosing the 1" Scope Ring. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all safety instructions are followed to avoid accidents.
- Always inspect the scope rings for any signs of damage before installation.
- Use the scope rings only for their intended purpose, which is to securely mount scopes to compatible Ruger firearms.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended Ruger firearms and models listed in this guide.
- Ensure that the scope tube diameter matches the specifications of the scope rings (1 inch).
- Avoid overtightening the screws during installation, as this can damage the scope or the firearm.
- Always check the mounting after installation to ensure there is no movement of the scope.
- When using the Offset Ring, ensure it is installed correctly to maintain proper eye relief.
- Do not attempt to modify or alter the scope rings in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver suitable for the screws used in the scope rings.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing scope rings if applicable.
- Align the scope ring base with the firearm's mounting points.
- Place the scope within the rings and adjust to the desired position.
- Securely tighten the screws, ensuring not to overtighten.

3. Adjustment:

- If using an Offset Ring, position it to move the scope eye relief back by 1 inch.
- Verify that the scope is level and properly aligned before securing all screws.

4. Final Check:

- After installation, check for any movement in the scope by gently pulling on it.
- Ensure that the scope is securely mounted before using the firearm.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please refer to the official Ruger website or contact your local Ruger representative for assistance.

Thank you for prioritizing safety and for choosing the 1" Scope Ring. Enjoy your shooting experience responsibly!
