Safety Instruction Guide for 1" Scope Ring

Introduction

Thank you for choosing the 1" Scope Ring. This product is designed to provide a secure and reliable mounting solution for your Ruger rifles and handguns. To ensure safe and effective use, please read this safety instruction guide carefully and follow all the guidelines provided.

General Safety Guidelines

- Ensure that the scope ring is compatible with your specific firearm model.
- Always handle firearms with care and follow the manufacturer's safety instructions.
- Regularly inspect the scope ring for wear or damage before use.
- Do not exceed the weight limit of the scope ring as specified by the manufacturer.
- Keep the product out of reach of children and unauthorized users.
- In case of any doubts regarding the installation or use, seek assistance from a qualified professional.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may lead to scope misalignment or detachment.
- Using the wrong height ring can affect shooting accuracy and safety.
- Ensure that all screws and attachments are tightened to the manufacturer's specifications.

• Instructions for Avoiding Hazards:

- Always use the correct tools for installation to prevent damage to the scope ring or firearm.
- Avoid using excessive force when tightening screws to prevent stripping the threads.
- If using offset rings, ensure they are installed correctly to avoid shifting the scope position unexpectedly.
- Regularly check the tightness of the scope ring after installation and before each use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Identify the correct height of the scope ring required for your scope and firearm model.
- Align the scope ring with the mounting base on the firearm.
- Insert the screws into the mounting holes and handtighten them to hold the ring in place.
- Use a torque wrench to tighten the screws to the recommended specifications (check the manufacturer's guidelines).
- For offset rings, ensure that the offset is directed towards the rear of the firearm.

3. Usage:

- After installation, check the alignment of the scope through the rings.
- Adjust the scope as necessary to achieve the desired eye relief and reticle alignment.
- Test the setup at a safe shooting range to ensure proper function and alignment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries related to safety or product support, please contact the manufacturer or your local dealer. Ensure that you have the product details ready for a more efficient response.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your 1" Scope Ring. Thank you for your attention to these important guidelines.
