# Safety Instruction Guide for 1" Scope Ring

## Introduction

Thank you for choosing the 1" Scope Ring. This product is designed for use with Ruger rifles and handguns, providing a secure and stable attachment for your scope. To ensure your safety and the proper functioning of the scope ring, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the scope ring is compatible with your firearm before installation.
- Inspect the scope ring for any visible damage or defects before use.
- Ensure that the scope is properly mounted and secured to prevent any movement during use.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to scope misalignment, which can affect aiming and accuracy.
  - Loose or damaged rings can result in the scope detaching during use, leading to potential injury.
- **Avoiding Hazards:**
  - Always follow the installation instructions carefully.
  - Regularly check the tightness of the scope rings and make adjustments as necessary.
  - Use only the recommended tools for installation to avoid damaging the scope ring or firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: a screwdriver and any other tools specified in the product manual.
- Ensure that your firearm is unloaded and pointed in a safe direction during installation.

### 2. Installation:

- Remove any existing scope rings from your firearm if applicable.
- Align the scope ring with the integral base or factory base on your firearm.
- Secure the ring using the provided screws, ensuring that they are tightened but not overtightened to avoid damage.
- Repeat the process for the second ring if applicable.

### 3. Usage:

- After installation, check that the scope is securely attached and aligned with your sight line.
- Adjust the scope as necessary for eye relief and focus.
- Always doublecheck the attachment before using the firearm.

### 4. Maintenance:

- Regularly inspect the scope rings for signs of wear or damage.
- Clean the scope rings with a soft, dry cloth to remove dirt and debris.

## **Disposal Instructions**

- Dispose of the scope ring in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling programs or hazardous waste collection sites in your area.

## **Contact Information for Further Support**

For additional information or support regarding the 1" Scope Ring, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 1" Scope Ring. Always prioritize safety and proper handling when using firearms and related accessories.
