# Safety Instruction Guide for 1" Scope Ring

## Introduction

Thank you for choosing the 1" Scope Ring. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always inspect the scope rings for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the scope rings with compatible Ruger firearms as specified in the product description.
- Ensure that the scope is securely attached to prevent movement during use.
- Avoid using the scope rings if they show signs of damage or do not fit properly.
- Do not exceed the recommended height specifications when installing rings.
- Follow all firearm safety protocols when using your firearm equipped with the scope.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools and ensure a clean workspace.
- Identify the correct height of the scope ring required for your firearm model.
- Align the scope ring with the integral base or factory base of the firearm.
- Use the appropriate screws to secure the ring to the base, ensuring they are tightened to the manufacturer's specifications.
- For Offset Rings, use two rings to adjust the scope eye relief back by 1 inch. To move the scope ½ inch to the rear, use one Offset ring and one Medium height ring.

### 2. Usage:

- Once installed, check the scope alignment and ensure it is level.
- Adjust the scope according to your shooting preferences and ensure it is securely in place.
- Regularly check the scope rings for tightness and any signs of wear during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is disposed of properly to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. We hope you enjoy using your 1" Scope Ring safely and

effectively.
