Safety Instruction Guide for 1" Scope Ring

Introduction

Thank you for choosing the 1" Scope Ring. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide thoroughly before use to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Regularly inspect the scope rings for wear and damage. Do not use if any part appears compromised.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or damage, cease use immediately and consult a qualified professional.
- Always follow the manufacturer's instructions for installation and usage to avoid risks.
- Stay informed about product recalls and safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

• Installation Safety:

- Use appropriate tools when installing the scope rings to avoid injury.
- Ensure that the firearm is unloaded before attaching or detaching the scope rings.

• Operational Safety:

- Do not exceed the recommended height specifications when installing scope rings.
- Avoid using the scope rings with incompatible firearms or equipment.
- Regularly check the tightness of the scope rings during use to prevent scope movement.

• Child Safety:

- Keep the scope rings and any related tools away from children.
- Educate older children on the importance of firearm safety if they are involved in shooting sports.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdrivers, Allen wrenches, and any other required tools.

2. Installation Steps:

- Identify the correct height and type of scope ring needed for your firearm model.
- Align the scope ring's base with the integral base of the firearm.
- Secure the scope ring using the provided screws, ensuring they are tightened according to the manufacturer's specifications.
- If using an offset ring, ensure it is installed in the correct orientation to achieve desired eye relief.
- Once installed, mount the scope onto the rings and adjust as necessary for optimal positioning.

3. PostInstallation Check:

- After installation, doublecheck that all screws are tight.

- Ensure the scope is securely mounted and does not shift during handling.
- Conduct a function check to ensure proper alignment and operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in household waste. Check if there are designated recycling facilities for metal components in your area.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's official website or contact their customer service team for assistance.
