# Safety Instruction Guide for 1" SCOPE RING 30MM SCOPE RING, 4B30, MEDIUM, BLUE

## Introduction

Thank you for choosing the 1" Scope Ring 30mm Scope Ring, 4B30, Medium, Blue by Ruger. This product is designed to provide a secure and reliable attachment for your scope to enhance your shooting experience. It is essential to follow the safety instructions and guidelines to ensure proper use and avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to secure a scope to compatible Ruger firearms.
- Regularly inspect the scope rings for any signs of wear or damage before use.
- Store the scope rings in a dry, cool place away from direct sunlight and moisture.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Familiarize yourself with the specific firearm your scope rings are being used with to ensure compatibility and safe operation.

## Specific Safety Precautions for Use

- Always use the scope rings in accordance with the manufacturer's instructions to prevent accidents.
- Do not exceed the recommended weight limit for the scope being mounted.
- Ensure that the scope is properly aligned and securely fastened before use.
- When using the Offset Ring, be aware that it is only available in Medium height and should be used with caution.
- Avoid using damaged or worn rings, as this may compromise the safety and performance of your scope.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and any required mounting hardware.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.

### 2. Installation:

- Identify the mounting points on your firearm where the scope rings will be attached.
- Place the scope rings onto the firearm's base, ensuring the correct orientation (front and rear positions).
- If using an Offset Ring, install it in the Medium height position to adjust the scope eye relief as needed.
- Secure the rings by tightening the screws evenly to avoid misalignment. Do not overtighten, as this may damage the rings or firearm.

### 3. Scope Attachment:

- Carefully place the scope into the rings, ensuring it is level and properly aligned.
- Tighten the ring screws to secure the scope in place. Again, avoid overtightening.

### 4. Final Checks:

- After installation, doublecheck that all screws and attachments are secure.

- Conduct a test by aiming the firearm at a safe target to ensure proper eye relief and scope alignment.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the scope rings are damaged or no longer usable, dispose of them responsibly by following local electronic waste disposal guidelines.
- Do not throw away in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 1" Scope Ring 30mm Scope Ring, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Ruger scope rings. Always prioritize safety and compliance with local laws and regulations when using firearms and related accessories.
