Introduction

Thank you for choosing the 1" Scope Ring 30mm Scope Ring, 5B30, High, Blue. This product is designed to provide a secure and stable attachment for your scope on Ruger rifles and handguns. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model before use.
- Inspect the scope rings for any visible damage or defects before installation.
- Always use the scope rings as intended, following the manufacturer's guidelines.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended height specifications for your firearm model.
- Ensure that the scope is correctly aligned and securely fastened to prevent movement during use.
- Avoid using the scope rings in extreme temperatures or conditions that may compromise their integrity.
- Use caution when handling tools during installation to avoid injury.
- Always follow the specific installation instructions provided for your firearm model.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Verify that you have the correct ring height and finish for your firearm model.

2. Installation Steps:

- Remove any existing scope rings from your firearm.
- Position the base of the scope ring on the designated mounting area of your firearm.
- Use the provided screws to attach the ring securely, ensuring it is tightened to the manufacturer's specifications.
- For models requiring different heights, install the shorter ring at the front and the taller ring at the rear.

3. Scope Attachment:

- Place your scope into the rings and ensure it is level.
- Tighten the screws on the scope rings to secure the scope in place.
- Check for any movement by gently shaking the firearm.

4. Final Checks:

- After installation, perform a thorough inspection to ensure all components are secure.
- Before use, verify that the scope is properly zeroed and aligned with your target.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options where available to minimize environmental impact.
