General Safety Guidelines

- Ensure that you are familiar with the operation of the firearm before using the magazine cutoff lever.
- Always handle firearms with care and respect, following the fundamental rules of firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the magazine cutoff lever if you are under the influence of drugs or alcohol.
- Always ensure the firearm is unloaded before installing or adjusting the magazine cutoff lever.
- Avoid using the product in adverse weather conditions that may affect its performance.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine cutoff lever if applicable.
- Align the new magazine cutoff lever with the designated mounting area on the firearm.
- Secure the lever in place using the appropriate tools, ensuring it is firmly attached but not overtightened.

2. Usage:

- Familiarize yourself with the operation of the magazine cutoff lever before use.
- To activate the cutoff lever, ensure you are in a safe environment and that the firearm is pointed in a safe direction.
- Follow the manufacturer's instructions for switching between magazine and singleshot modes.
- After use, always check that the lever is functioning correctly and that the firearm is unloaded.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal methods.
