Operating Rod Assembly Safety Instructions

Introduction

Thank you for choosing the Operating Rod Assembly, 20 GA from Beretta USA. This product is designed to enhance your firearm's performance while ensuring safety during usage. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product properly.

General Safety Guidelines

- Always treat the Operating Rod Assembly as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Ensure that you are using the product in a safe and controlled environment.
- Do not use the product if you are under the influence of drugs or alcohol.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the Operating Rod Assembly.
- Use only compatible models (e.g., Beretta AL390) with this assembly.
- Wear protective eyewear when handling the firearm.
- Do not modify the Operating Rod Assembly in any way.
- Store the product in a secure location when not in use.
- Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing operating rod assembly if applicable.
- Align the new Operating Rod Assembly with the designated slots.
- Secure the assembly in place according to the firearm's manual.
- Doublecheck that the assembly is firmly attached and functioning correctly.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Always aim in a safe direction and be sure of your target.
- After each use, clean and inspect the Operating Rod Assembly for any debris or damage.
- Store the firearm and assembly in a secure location when not in use.

Disposal Instructions

- Dispose of the Operating Rod Assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Operating Rod Assembly, please consult the manufacturer's website or customer support for assistance. It is essential to have access to reliable resources for any safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your Operating Rod Assembly. Thank you for prioritizing safety while using this product.
