Safety Instruction Guide for Beretta USA RH 12 GA Oil KO Stock

Introduction

Thank you for purchasing the Beretta USA RH 12 GA Oil KO Stock. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the stock.

General Safety Guidelines

- Ensure that the stock is compatible with your firearm model (SV10) and gauge (12 Gauge) before installation.
- Always handle firearms with care and ensure they are unloaded when installing or adjusting the stock.
- Store the stock in a safe, dry place away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear, damage, or defects that may affect safety.
- Follow all local laws and regulations regarding firearms and their accessories.

Specific Safety Precautions for Use

- Do not use the stock if it shows any signs of cracks, splinters, or other damages.
- Avoid exposing the stock to extreme temperatures or moisture, as this can damage the wood material.
- Use only recommended cleaning agents for maintaining the wood finish; avoid harsh chemicals that may degrade the material.
- Always wear appropriate eye and ear protection when using firearms equipped with the stock.
- Ensure that you are in a safe and controlled environment when firing your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Align the new stock with the receiver of your firearm, ensuring a secure fit.
- Fasten the stock using the appropriate screws or bolts, ensuring they are tightened to the manufacturer's specifications.
- Check that the stock is securely attached before use.

2. Usage:

- Familiarize yourself with the stock's features and how they relate to your firearm's operation.
- Practice safe firearm handling at all times, treating every firearm as if it is loaded.
- Regularly clean and maintain the stock to preserve its condition and functionality.
- If you experience any issues with the stock during use, cease operation immediately and inspect for damage.

Disposal Instructions

- Dispose of the stock in accordance with local regulations regarding wood products and firearms accessories.
- If the stock is damaged beyond repair, consider recycling the wood if possible.
- Do not dispose of the stock in regular household waste; contact local waste management for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your Beretta USA RH 12 GA Oil KO Stock, please refer to the official Beretta USA website or contact their customer support.

Thank you for prioritizing safety and compliance while using your new stock. Enjoy your shooting experience responsibly!
