Safety Instruction Guide for LUG, LOCKING 4.86, F

Introduction

Thank you for choosing the LUG, LOCKING 4.86, F by Beretta USA. This guide provides essential safety information to ensure the safe use and handling of this product. Please read this manual carefully before using the product to prevent accidents and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of locking hardware.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the locking lug is correctly installed before use.
- Do not modify or alter the product in any way.
- Avoid using the product in extreme weather conditions unless specified otherwise.
- Ensure that all components are compatible with each other to avoid malfunction.
- In case of any malfunction or unexpected behavior, stop using the product immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure that the installation area is clean and free from debris.
- Use the appropriate tools to install the locking lug securely.
- Follow the manufacturer's guidelines for installation to ensure safety and functionality.
- Doublecheck that all screws and fittings are tightened properly.

2. Usage:

- When using the locking lug, ensure that it is fully engaged before applying any load.
- Do not exceed the recommended load limits as specified by the manufacturer.
- Regularly check the locking mechanism for functionality and wear.
- If the locking lug becomes difficult to operate, do not force it. Inspect for any obstructions or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous and nonhazardous waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the manufacturer's customer service or visit the official website. Ensure that you have the product information ready for reference when seeking assistance.

Please remember that safety is paramount. Always follow the guidelines outlined in this manual to ensure a safe

and effective experience with your LUG, LOCKING 4.86, F. Thank you for your attention to these important safety instructions.
