BERETTA SO SERIES COCKING LEVER CAM Safety Instructions

Introduction

Thank you for choosing the BERETTA SO SERIES COCKING LEVER CAM. This safety instruction guide is designed to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read these instructions carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the cocking lever cam is properly installed before use.
- Do not use the product if it shows signs of damage or wear.
- Avoid using the product in wet or damp conditions to prevent slipping or malfunction.
- Use protective gear as necessary to prevent injury during operation.
- Be aware of your surroundings and ensure that no one is in the line of operation when using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the work area is clean and free of obstructions.
- Align the cocking lever cam with the designated mounting points on your device.
- Securely fasten the cam in place using the provided screws or fasteners.
- Check that the installation is stable and that there are no loose parts.

2. Usage:

- Before each use, inspect the cocking lever cam for any visible damage.
- Follow the specific operational procedures as outlined in the device's user manual.
- Ensure that the cam is fully engaged before attempting to operate the device.
- After use, return the product to a safe storage location.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact information provided by your retailer or the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
