# Safety Instruction Guide for BERETTA SO2/SO6 HAMMER LEFT POLISHED

## Introduction

Thank you for purchasing the BERETTA SO2/SO6 HAMMER LEFT POLISHED. This product is designed to provide reliable performance and safety when used correctly. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely. Following these guidelines will help ensure your safety and the safety of others.

## General Safety Guidelines

- Always handle the hammer with care to avoid accidental injury.
- Keep the hammer out of reach of children and other vulnerable individuals.
- Inspect the hammer before use to ensure it is in good working condition.
- Do not use the hammer for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the hammer.
- Ensure that your work area is clean and free of hazards.
- Use the hammer only in wellventilated areas to avoid inhaling any harmful dust or particles.
- Never point the hammer at yourself or others.
- Do not attempt to modify or alter the hammer in any way.
- If the hammer becomes damaged or malfunctions, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the work surface is stable and secure before installation.
- Follow the manufacturer's specifications for any additional components or tools required for installation.
- Make sure the hammer is properly aligned and secured in place before use.

### 2. Usage:

- Hold the hammer firmly by the handle, ensuring a secure grip.
- Position the hammer so that your body is not in line with the striking area.
- Strike the intended surface with controlled force, avoiding excessive impact.
- After use, store the hammer in a safe location, away from children and pets.

## Disposal Instructions

- Dispose of the hammer in accordance with local regulations regarding metal and hazardous waste.
- If the hammer is no longer usable, consider recycling it at a designated facility.
- Do not dispose of the hammer in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the BERETTA SO2/SO6 HAMMER LEFT POLISHED, please refer to the manufacturer's website or customer service for assistance. It is important to have a point of contact for any safety inquiries.

By following these guidelines, you can help ensure your safety and the safety of others while using the BERETTA SO2/SO6 HAMMER LEFT POLISHED. Thank you for taking the time to read this safety instruction guide.
