Safety Instruction Guide for BERETTA 486 20/28 GAUGE AUTO SAFETY LEVER

Introduction

Thank you for choosing the BERETTA 486 20/28 GAUGE AUTO SAFETY LEVER. This guide provides essential safety information to ensure the safe use of this product. Please read and understand all instructions before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep this instruction manual accessible for future reference.
- Regularly inspect the product for signs of wear or damage.
- Always follow local laws and regulations regarding firearm safety and usage.
- Store the product in a secure location, away from children and unauthorized users.

Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate ammunition as specified by the manufacturer.
- Do not use the firearm if you are under the influence of drugs or alcohol.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for any specific installation procedures.
- If you are unsure about the installation process, consult a qualified gunsmith.

2. Usage:

- Before each use, conduct a safety check to ensure the firearm is functioning correctly.
- Load the firearm only when you are ready to shoot.
- Always use the safety lever to prevent accidental discharge when the firearm is not in use.
- After use, unload the firearm and store it safely.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support
