# Safety Instruction Guide for NEW STYLE EXTRACTOR FOR S&W K FRAME

## Introduction

Thank you for choosing the NEW STYLE EXTRACTOR FOR S&W K FRAME. This guide provides important safety instructions to ensure the safe use and handling of this product. Please read through the entire document carefully before installation and use.

## General Safety Guidelines

- Ensure that the extractor is compatible with your Smith & Wesson K Frame revolver model.
- Always handle firearms and their components with care and respect.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the extractor for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and handling of firearms.

## Specific Safety Precautions for Use

- Do not attempt to use the extractor if it appears damaged or worn.
- Always ensure that the firearm is unloaded before installing or replacing any components.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.
- Do not modify the extractor or any firearm components in any way.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as screwdrivers or wrenches.

### 2. Installation

- Remove the existing extractor from the revolver by following the manufacturer's instructions.
- Carefully install the NEW STYLE EXTRACTOR by aligning it with the designated slot in the revolver.
- Secure the extractor in place using the appropriate screws or fasteners.

### 3. PostInstallation Check

- Once installed, check that the extractor is firmly in place and does not wobble.
- Conduct a function check by cycling the action of the revolver without ammunition to ensure proper operation.

### 4. Usage

- After confirming safe installation, you may load the firearm and prepare for use.
- Always follow standard firearm safety practices when handling the revolver.

## Disposal Instructions

- Dispose of the extractor in accordance with local regulations regarding metal waste and firearm components.

- Do not discard the extractor in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the NEW STYLE EXTRACTOR FOR S&W K FRAME, please refer to the manufacturer's support resources or consult with a qualified firearms expert. Ensure you have the product details handy for better assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your NEW STYLE EXTRACTOR FOR S&W K FRAME. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
