Safety Instruction Guide for SIGHT ASSEMBLY, REAR, .160", N/S, W/O, 2.5"4" BARREL

Introduction

Thank you for choosing the SIGHT ASSEMBLY, REAR, .160", N/S, W/O, 2.5"4" BARREL. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model. This sight assembly fits only current production revolvers with 4 or higher serial numbers.
- Always handle firearms with care and in accordance with established safety practices.
- Keep the sight assembly out of reach of children and unauthorized users.
- Regularly inspect the sight assembly for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use this sight assembly with compatible firearms as specified.
- Do not modify the sight assembly or use it in a manner not intended by the manufacturer.
- Avoid using the sight assembly in adverse weather conditions that may affect performance.
- Ensure the sight is properly installed and secured before using the firearm.
- If you experience any issues or malfunctions while using the sight assembly, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing rear sight from the firearm as per the manufacturer's instructions.
- Align the SIGHT ASSEMBLY, REAR, .160", N/S, W/O, 2.5"4" BARREL with the mounting area on the firearm.
- Securely attach the sight assembly using the appropriate screws and tools provided or recommended by the manufacturer.
- Doublecheck that the sight is firmly in place and does not move.

2. Usage

- Once installed, familiarize yourself with the sight alignment and adjust as necessary for optimal accuracy.
- Practice safe handling and firing techniques when using the firearm equipped with the sight assembly.
- Regularly check the sight alignment and condition during use, especially after extensive shooting sessions.

Disposal Instructions

- Dispose of the sight assembly responsibly when it is no longer in use or if it is damaged beyond repair.
- Follow local regulations regarding the disposal of firearm accessories and components.

- Do not dispose of the sight assembly in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SIGHT ASSEMBLY, REAR, .160", N/S, W/O, 2.5"4" BARREL, please consult the manufacturer's website or contact your local authorized dealer for support.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on proper handling and use of this product.
