M&P 357SIG/40S&W MAGAZINES Safety Instruction Guide

Introduction

Thank you for choosing the M&P 357SIG/40S&W Magazines manufactured by Smith & Wesson. This guide provides essential safety instructions to ensure the safe use of your magazines. Please read this document carefully before using the product.

General Safety Guidelines

- Always handle magazines as if they are loaded.
- Keep magazines out of reach of children and unauthorized users.
- Inspect magazines before use for any signs of damage or wear.
- Store magazines in a cool, dry place to prevent rust and deterioration.
- Do not attempt to modify or alter the magazines in any way.
- Follow all local laws and regulations regarding magazine capacity and usage.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your M&P firearm model.
- Only use ammunition that is specified for use with the M&P 357SIG/40S&W magazines (40 S&W, 357 SIG).
- Do not exceed the maximum capacity of 10 rounds per magazine.
- Always ensure that the magazine is properly seated in the firearm before use.
- If a malfunction occurs, follow your firearm's user manual for troubleshooting procedures.
- In the event of a misfire, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to clear the malfunction.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Press the follower down using your thumb.
- Insert the first round into the magazine, ensuring it is seated correctly.
- Repeat the process until the magazine is loaded to the desired capacity (maximum of 10 rounds).

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Hold the firearm securely with one hand and the magazine with the other.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Cleaning and Maintenance:

- Regularly inspect and clean your magazines to ensure optimal performance.
- Use a soft cloth to wipe down the exterior of the magazine.
- Avoid using harsh chemicals that may damage the magazine's finish.

Disposal Instructions

- Dispose of magazines in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management services for advice on proper disposal methods.

Contact Information for Further Support

For any questions regarding the safety or usage of your M&P 357SIG/40S&W magazines, please refer to the manufacturer's website or customer support for assistance.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure the safe and effective use of your M&P 357SIG/40S&W magazines. Thank you for your attention to these important safety measures.
