M&P 357SIG/40S&W MAGAZINES Safety Instruction Guide

Introduction

Thank you for choosing the M&P 357SIG/40S&W Magazines. This guide provides essential safety instructions to ensure safe usage, installation, and disposal of your magazines. It complies with the EU General Product Safety Regulation (GPSR) to protect you and others while using this product.

General Safety Guidelines

- Always handle magazines with care to avoid accidental discharge.
- Store magazines in a secure location away from children and unauthorized users.
- Regularly inspect magazines for signs of wear or damage. Do not use damaged magazines.
- Ensure that you are familiar with the firearm model for which the magazine is designed.
- Follow all local laws and regulations regarding firearm and magazine ownership and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid using magazines that are not specifically designed for your firearm model.
- Do not modify the magazine or attempt to repair it yourself.
- Use only the recommended ammunition type for your magazine.
- Keep your fingers clear of the magazine well when loading or unloading.
- Do not attempt to force a magazine into the firearm; it should fit securely without excessive pressure.
- Be cautious of the magazine release mechanism to avoid accidental drops.

Instructions for Installation and Usage

Installation

1. **Check the Firearm:** Ensure that the firearm is completely unloaded and pointed in a safe direction.
2. **Insert the Magazine:** Align the magazine with the magazine well of the firearm. Gently push the magazine into the well until it clicks into place.
3. **Check for Secure Fit:** Ensure that the magazine is securely locked in place and does not move when pulled gently.

Usage

- To load the magazine, follow these steps:
 1. Hold the magazine with the base plate facing down.
 2. Insert the first round into the magazine, pressing it down until it clicks into place.
 3. Continue to load rounds until the magazine reaches its full capacity.
- To remove the magazine from the firearm:
 1. Ensure the firearm is pointed in a safe direction.
 2. Press the magazine release button while gently pulling the magazine out of the well.
- Always check the magazine for proper loading and seating before firing.

Disposal Instructions

- Dispose of magazines in accordance with local regulations.

- If the magazine is damaged or no longer usable, do not attempt to repair it. Instead, follow local guidelines for safe disposal.
- Consider recycling components if possible, following local recycling rules.

Contact Information for Further Support

For safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to assistance for any product-related questions or concerns.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is our top priority. Please use your M&P 357SIG/40S&W Magazines responsibly.
