# M&P 9MM MAGAZINES Safety Instructions

## Introduction

Thank you for choosing the Smith & Wesson M&P 9mm magazines. This guide provides essential safety instructions to ensure the safe use and handling of your magazines. Please read this document carefully and follow all instructions to promote safe practices.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the magazines.
- Always treat every firearm as if it is loaded.
- Keep your firearm and magazines out of reach of children and unauthorized users.
- Regularly inspect your magazines for any signs of damage or wear.
- Store magazines in a cool, dry place away from direct sunlight and moisture.
- If you notice any unusual performance or damage, discontinue use and consult a professional.

## Specific Safety Precautions for Use

- Only use Smith & Wesson M&P 9mm magazines with compatible firearms.
- Do not attempt to modify or alter the magazines in any way.
- Ensure that the magazine is properly seated in the firearm before use.
- Avoid using magazines that are damaged or show signs of excessive wear.
- Use only 9mm Luger ammunition in these magazines.
- Follow all local laws and regulations regarding the use and transportation of firearms and magazines.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before installing the magazine.
- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the well until it clicks into place.

### 2. Usage:

- Load the magazine with 9mm Luger ammunition according to the manufacturer's specifications.
- Insert the loaded magazine into your firearm.
- Pull the slide back to chamber a round before firing.
- After firing, ensure the magazine is removed safely by pressing the magazine release button.

## Disposal Instructions

- Dispose of damaged or worn magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support
