

# X-SKEL MOUNTS - WARNE MFG. COMPANY 30MM ULTRA HIGH (1.435") 0 MOA MOUNT, RED

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Warne Scope Mounts is excited to introduce their second generation SKEL mount, the X-SKEL. This new MSR mount offers an additional 1" of forward cantilever, and 1 piece clamp design for added strength. The rugged, lightweight design of the X-SKEL maintains our famous Return to Zero capability, and utilizes ½" hex nuts for rock solid attachment. It features a skeletonized ring body and caps for reduced weight and steel threaded cap inserts for maximum durability. The X-SKEL places your optic at the IDEAL HEIGHT with a generous cantilever for proper eye relief, it will easily accommodate the longer eyepieces found on many of today's scopes. Lightweight, skeletonized aluminum body and caps to reduce overall weight without sacrificing reliability. #8 Torx style fasteners with steel threaded inserts to prevent stripping. Additional 1 Inch cantilever forward design to provide additional eye relief. Places your optic at the Ideal Height for MSR and similar platforms. 1/2" tactical nut attachment, 65 in/lb. of torque is recommended.

## Attributes

- Name: [WARNE MFG. COMPANY 30MM ULTRA HIGH \(1.435"\) 0 MOA MOUNT, RED](#)
- Manufacturer: [WARNE MFG. COMPANY](#)
- Product no.: 947000383

# XSKEL Mounts Safety Instruction Guide

## Introduction

Thank you for choosing the XSKEL Mounts by Warne MFG. Company. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your mount. Please read this guide carefully to understand the precautions necessary for safe operation.

## General Safety Guidelines

- Ensure that the mount is compatible with your optic and firearm before installation.
- Always check for damage or wear before use. Do not use the mount if it is damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Keep the mount out of reach of children and vulnerable individuals.
- If you experience any issues during installation or use, seek assistance from a qualified professional.

## Specific Safety Precautions for Use

### • Installation Safety:

- Use the correct tools as specified in the installation instructions.
- Ensure the mounting surface is clean and free from debris before installation.

### • Usage Safety:

- Always ensure your firearm is unloaded before attaching or detaching the mount.
- Regularly inspect the mount for loose fasteners or signs of wear.
- Avoid using excessive force when tightening the mount to prevent damage.

### • Environmental Safety:

- Store the mount in a dry and cool place to prevent corrosion.
- Avoid exposing the mount to extreme temperatures or harsh chemicals.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the necessary tools: a ½" hex wrench and #8 Torx driver.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the mount with the optic and the firearm's rail.
- Secure the mount using the ½" tactical nut attachment, applying 65 in/lb. of torque.
- Doublecheck that the mount is securely attached and does not move.

### 2. Usage:

- Adjust the optic to ensure proper eye relief and alignment.
- Test the mount by taking practice shots to ensure stability and accuracy.
- Make any necessary adjustments to the optic as per the manufacturer's guidelines.

### 3. Regular Maintenance:

- Periodically check the tightness of the fasteners.
- Clean the mount with a soft cloth to remove dirt and debris.

- Inspect for any signs of wear or damage and replace if necessary.

## **Disposal Instructions**

- Dispose of the mount in accordance with local regulations.
- If the mount is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the mount in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the XSKEL Mounts, please refer to the official Warne MFG. Company website or contact your local distributor for assistance.

By following these guidelines, you can ensure the safe and effective use of your XSKEL Mounts. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
