

SAVAGE SHORT ACTION MOUNTAIN TECH SCOPE RAIL - WARNE MFG. COMPANY SAVAGE ROUND RECEIVER SA 0 MOA RAIL

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

“Ounces are pounds, Pounds are pain” The credo of the backcountry hunter. When tired legs are the only mode of transportation. When the air feels thin, and feet feel heavy. When months of preparation, training and sleepless nights thinking about the upcoming hunt culminate into a single moment, placing the crosshair where it needs to be for the perfect shot. Warne Mountain Tech is the ultimate lightweight precision scope mounting system. Don't leave your dream hunt to chance. When every ounce matters, and every shot counts, Warne Mountain Tech are the scope mounts you can depend on. Precision CNC machined from 7075/T6 aluminum for a high strength & lightweight platform Mil-Spec hardcoat anodized finish for abrasion and corrosion resistance. Bases feature black zinc coated hardware for “Element Proof” protection. Self centering tapered T-15 Torx screws. Fits Picatinny & Weaver style mounts and are NATO-STANAG compatible.

Safety Instruction Guide for Warne Mountain Tech Scope Rail

Introduction

Thank you for choosing the Warne Mountain Tech Scope Rail for your Savage Arms rifle. This guide provides essential safety instructions and recommendations to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the rifle and scope system.
- Always handle firearms and accessories with care and respect.
- Inspect your scope rail before each use for any signs of damage or wear.
- Store the product in a safe, dry place when not in use.
- Follow all local laws and regulations regarding firearm usage and storage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for your scope rail.
- Ensure that the scope is securely mounted before use.
- Avoid using the scope rail in extreme weather conditions that may compromise its integrity.
- When adjusting the scope, make sure the firearm is unloaded and pointed in a safe direction.
- Use only compatible accessories with the scope rail to prevent malfunction.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools, including a T15 Torx screwdriver.
2. **Prepare the Rifle:** Ensure the rifle is unloaded and pointed in a safe direction.
3. **Align the Rail:** Position the Warne Mountain Tech Scope Rail onto the Picatinny or Weaver style mounts of your Savage Arms rifle.
4. **Insert Screws:** Use the selfcentering tapered T15 Torx screws to secure the rail. Ensure screws are tightened to the manufacturer's specifications.
5. **Check Alignment:** Verify that the rail is properly aligned and securely mounted before attaching the scope.

Usage

- Once installed, attach your scope according to the manufacturer's instructions.
- Regularly check the tightness of screws and the alignment of the scope during use.
- Always ensure that the scope is properly zeroed before taking any shots.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged or no longer in use, consider recycling the material where possible.

Contact Information for Further Support

For any inquiries regarding the Warne Mountain Tech Scope Rail, please refer to the manufacturer's website or contact their support team. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your hunting experience with the Warne Mountain Tech Scope Rail!
