

SKYLINE PRECISION ONE PIECE MOUNT - 30MM ULTRA HIGH (1.39") 0 MOA MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Warne Skyline Precision Mount features a wide assortment of accessories, which are sold separately, that mount directly to ten different interfaces on the rings. These interfaces allow you to mount the accessories independent of the scope, so you can easily adjust eye relief without disturbing anything else. Machined from 7075 T6 aluminum billet, the Warne Skyline Precision Mount features two integral recoil lugs and four mounting crossbolts, and easily handles the rigors of competition or hard use environments. 0 MOA MSR ideal height The Warne Skyline Precision Mount features a STANAG rail interface allows for the most precise mount alignment and return-to-zero capability than a traditional Picatinny rail interface, while still being compatible with your Picatinny rail.

Safety Instruction Guide for SKYLINE PRECISION ONE PIECE MOUNT 30MM ULTRA HIGH

Introduction

Thank you for choosing the Warne Skyline Precision One Piece Mount. This guide provides important safety instructions and usage guidelines to ensure safe operation and maintenance of the product. Please read this manual thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always inspect the mount for any damage before installation and use.
- Keep the mount out of reach of children and vulnerable individuals.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Follow all local and national regulations regarding firearm accessories and mounting equipment.

Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the firearm before use.
- Regularly check the tightness of all mounting bolts to prevent loosening during use.
- Avoid overtightening the screws, as this may damage the mount or the firearm.
- Use appropriate tools for installation to avoid injury or damage to the product.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools and components before starting the installation.
- Ensure that the firearm is unloaded and safe to handle.
- Align the mount with the scope and the firearm's rail system.
- Use the provided crossbolts to secure the mount to the rail. Make sure they are tightened evenly.
- Check the alignment of the scope and make adjustments as needed.

2. Usage

- Adjust the eye relief to your comfort level without disturbing the mount's position.
- Regularly check the mount and scope for stability during use.
- If you experience any movement or instability, stop using the firearm and inspect the mount.

Disposal Instructions

- Dispose of the mount and any associated packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the Warne Skyline Precision One Piece Mount, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy the use of your Warne Skyline Precision One Piece

Mount safely and responsibly.
