

QUAD LOCK RINGS - 1" TIP OFF, MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

Attributes

- Name: [1" TIP OFF, MATTE](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000102

QUAD LOCK RINGS 1" TIP OFF, MATTE Safety Instruction Guide

Introduction

Thank you for choosing the QUAD LOCK RINGS 1" TIP OFF, MATTE. These scope rings are designed to provide reliable performance and durability for your shooting needs. This guide outlines important safety information, installation instructions, and guidelines for proper usage to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Clamping Power:** Ensure that the caps are tightened evenly to prevent the scope from rotating. Uneven tightening can lead to misalignment.
- **Weight Consideration:** The aluminum construction keeps weight minimal, but avoid overloading the mounting system beyond its specified limits.
- **Installation Surface:** Ensure that the base where the rings are attached is stable and secure to avoid accidents during use.
- **Scope Compatibility:** Only use with scopes that fit the specified 1" diameter tube to prevent damage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver that fits the cap screws.
- Ensure that your rifle and scope are in a safe, stable position before beginning installation.

2. Installation Steps:

- Place the scope in the rings and align it with your desired sight picture.
- Position the rings on the base, ensuring that they fit snugly and securely.
- Tighten the caps evenly, alternating between the two caps to maintain even clamping pressure.
- Check the alignment of the scope after tightening to ensure it has not shifted.

3. Usage:

- Regularly check the tightness of the caps and the stability of the scope during use.
- Avoid excessive force when adjusting the scope or tightening the caps.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and nonelectronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the QUAD LOCK RINGS 1" TIP OFF, MATTE, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details on hand for efficient support.

By following these guidelines, you can ensure a safe and enjoyable experience with your QUAD LOCK RINGS 1" TIP OFF, MATTE. Thank you for prioritizing safety!
