

# QUAD LOCK RINGS - WEAVER 1" MEDIUM, SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

## Attributes

- Name: [WEAVER 1" MEDIUM, SILVER](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000104

# Safety Instruction Guide for QUAD LOCK RINGS WEAVER 1" MEDIUM, SILVER

## Introduction

Thank you for choosing the QUAD LOCK RINGS WEAVER 1" MEDIUM, SILVER. These scope rings are designed to provide a secure fit for your scope, enhancing your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Clamping Power:** Ensure that both caps are tightened evenly to achieve maximum clamping power. Uneven tightening may cause damage to the scope or the rings.
- **Scope Rotation:** Be cautious when tightening the caps to prevent scope rotation. Make sure the scope is properly aligned before securing it.
- **Weight Considerations:** The aluminum construction keeps the weight to a minimum, but ensure that your base can support the weight of the scope and the rings.
- **Compatibility:** Verify that the rings are compatible with your scope and base type. These rings fit Weaverstyle bases only.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: a screwdriver and a torque wrench (if available).
- Ensure you have a clean workspace to avoid losing small parts.

### 2. Installation:

- Place the base of the scope rings onto the Weaverstyle base.
- Align the rings so that they are parallel and properly centered over the scope tube.
- Insert the screws into the base of the rings and handtighten them initially.

### 3. Securing the Scope:

- Place the scope into the rings.
- Adjust the position of the scope to your desired eye relief.
- Once positioned, tighten the caps on the scope rings evenly. Use a torque wrench if available to ensure proper torque settings.

### 4. Final Checks:

- After installation, doublecheck that all screws and caps are secure.
- Ensure that the scope is level and does not rotate when the caps are tightened.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the QUAD LOCK RINGS WEAVER 1" MEDIUM, SILVER, please refer to your retailer or manufacturer for assistance. They can provide further guidance and support.

By following these safety instructions, you can ensure safe and effective use of your QUAD LOCK RINGS WEAVER 1" MEDIUM, SILVER. Thank you for your attention to these important guidelines.
