

REDHAWK® 6" & 7-1/2" BARREL MOUNTS - WEIGAND COMBAT

REDHAWK® 6" BARREL MOUNT, SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

Strong, lightweight mounts available for Ruger® Redhawk® models with 6" or 7½" barrels. Remove rear sight for installation, no drilling or tapping required. Uses a front sight replacement block for attachment at the muzzle end and the rear sight elevation hole for attachment at the back of the top strap. Rear sight notch becomes a rock-solid recoil lug for consistent accuracy. Eight cross-slots allow you to position your optics for optimum eye relief. Accepts Weaver-style rings or mounting systems.

REDHAWK® 6" & 7 1/2" Barrel Mounts Safety Instructions

Introduction

Thank you for choosing the REDHAWK® 6" & 7 1/2" Barrel Mounts by WEIGAND COMBAT. This product is designed to enhance your shooting experience by providing a secure mount for optics on Ruger® Redhawk® models. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat your firearm and its accessories with respect.
- Ensure that the product is installed correctly before use.
- Regularly inspect the mount and firearm for any signs of wear or damage.
- Keep this product out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installation or adjustment of the barrel mount.
- Do not attempt to modify the mount or any of its components.
- Avoid using the mount with incompatible or nonrecommended optics.
- Be aware of the potential for recoil when using optics, and ensure that the mount is securely attached.
- When removing or adjusting the rear sight, handle all components carefully to avoid injury.
- Use protective eyewear while installing or using the mount.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver for mounting screws.

2. Installation:

- Remove the rear sight from the firearm.
- Align the front sight replacement block at the muzzle end of the barrel.
- Insert the mounting screws into the rear sight elevation hole at the back of the top strap.
- Tighten the screws securely, ensuring that the mount is stable and does not move.

3. Positioning Optics:

- Utilize the eight crossslots on the mount to position your optics for optimal eye relief.
- Ensure that the optics are securely attached using compatible Weaverstyle rings or mounting systems.

4. Final Checks:

- Verify that all components are securely fastened and that there are no loose parts.
- Conduct a test to ensure that the mount and optics maintain accuracy during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents accidental use by unauthorized individuals.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. We hope you enjoy your experience with the REDHAWK® Barrel Mounts. Stay safe and responsible while using your firearm accessories.
