Safety Instruction Guide for 1911 Hammer Spring Wolff 20 lb., Light

Introduction

Thank you for choosing the 1911 Hammer Spring Wolff 20 lb., Light. This product is designed to enhance your shooting experience by providing lighter hammer springs for improved trigger pull. It is essential to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the hammer spring is compatible with your specific 1911 model (Government, Commander).
- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Store the hammer spring in a secure location, away from children and unauthorized users.
- Regularly inspect the hammer spring for any signs of wear or damage before installation and use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the hammer spring only in firearms designed for it; do not modify or attempt to use it in other applications.
- Ensure that the firearm is unloaded before installing or replacing the hammer spring.
- Wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of the potential for increased trigger sensitivity when using lighter springs; practice safe handling and shooting techniques.
- Keep your fingers off the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools for installation, including a punch and hammer.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the grip panel from the firearm.
- Carefully remove the original hammer spring using the punch to release tension.
- Install the Wolff 20 lb. hammer spring by aligning it correctly and ensuring it is seated properly.
- Reassemble the grip panel securely.

3. Usage

- After installation, perform a function check on the firearm to ensure proper operation.
- Test the trigger pull in a safe environment before using the firearm in a live shooting situation.
- Regularly check the hammer spring for functionality and replace it if any issues arise.

Disposal Instructions

- Dispose of the hammer spring in accordance with local regulations regarding firearm components.
- Do not dispose of the product in household waste. Instead, contact local recycling facilities or hazardous waste disposal services for guidance.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the 1911 Hammer Spring Wolff 20 lb., Light, please refer to your local regulations or contact a qualified professional.

Thank you for prioritizing safety while using the 1911 Hammer Spring Wolff 20 lb., Light. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
