# BOG TreePod Safety Instruction Guide

## Introduction

Thank you for choosing the BOG™ TreePod. This product is designed to provide you with benchrest accuracy while using your firearm or crossbow from a treestand. It is essential to read and understand the safety instructions to ensure safe and effective use of the TreePod.

## General Safety Guidelines

- Always ensure that the TreePod is used in accordance with local laws and regulations regarding firearms and archery equipment.
- Inspect the TreePod before each use to ensure it is in good condition and free from any damage or wear.
- Use the TreePod only for its intended purpose as specified in the product documentation.
- Keep the TreePod out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in the line of fire when using your firearm or crossbow.

## Specific Safety Precautions for Use

- Ensure that your firearm or crossbow is unloaded when attaching or detaching it from the TreePod.
- Always point the muzzle of your firearm or crossbow in a safe direction.
- Do not exceed the weight limit specified by the manufacturer for the TreePod.
- Use the TreePod on stable and level ground to prevent tipping or instability.
- Do not use the TreePod in adverse weather conditions, such as high winds or heavy rain, which may affect stability.

## Instructions for Installation and Usage

### 1. Installation

- Find a stable and secure location in your treestand for the TreePod.
- Ensure that the TreePod is positioned at a height that allows for comfortable aiming and shooting.
- Securely attach the TreePod to your firearm or crossbow following the manufacturer's instructions.
- Doublecheck that all connections are tight and secure before use.

### 2. Usage

- Once the TreePod is securely attached, position yourself comfortably to aim.
- Keep your hands free to scan the terrain with binoculars or take photos while the TreePod supports your firearm or crossbow.
- When ready to shoot, ensure that your target is clear and safe to engage.
- After shooting, always check to ensure the area is safe before detaching your firearm or crossbow from the TreePod.

## Disposal Instructions

- Dispose of the BOG™ TreePod in accordance with local regulations for plastic and metal waste.
- Do not incinerate the product as it may release harmful substances.
- If the TreePod is no longer usable, consider recycling components where applicable.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please reach out to the designated EU contact point provided with your product packaging.

Thank you for following these safety guidelines. Your safety and the safety of others is paramount when using the BOG™ TreePod. Enjoy your time outdoors and stay safe!
