BUBBA BB 6" Whiffie BUBBA Ultra Flex Tapered Flex Fillet Knife Safety Instructions

Introduction

Thank you for choosing the BUBBA BB 6" Whiffie BUBBA Ultra Flex Tapered Flex Fillet Knife. This guide provides essential safety instructions to ensure your safe and effective use of the knife. Please read this manual carefully before use.

General Safety Guidelines

- Always use the knife for its intended purpose.
- Keep the knife out of reach of children and vulnerable individuals.
- Inspect the knife for any damage before use. Do not use if the blade is damaged or dull.
- Ensure that you are in a safe and stable environment when using the knife.
- Use appropriate personal protective equipment, such as cutresistant gloves, when handling the knife.
- Be aware of your surroundings and avoid distractions while using the knife.
- Store the knife securely in its sheath when not in use to prevent accidental injury.

Specific Safety Precautions for Use

- When filleting fish, always cut away from your body and keep your fingers clear of the blade.
- Do not attempt to catch or hold fish while using the knife.
- Avoid using excessive force when cutting; let the blade do the work.
- Do not use the knife for tasks other than filleting fish, such as prying or twisting.
- If the knife slips during use, maintain a safe distance from the blade to avoid injury.
- Always clean the knife after use to maintain hygiene and prevent corrosion.

Instructions for Installation and Usage

1. Before First Use:

- Remove the knife from its packaging.
- Inspect the blade and handle for any defects.
- Wash the blade with warm soapy water and dry thoroughly.

2. Using the Knife:

- Hold the knife firmly by the handle.
- Position the fish securely on a stable cutting surface.
- Start at the tail end of the fish and make a shallow cut into the flesh.
- Glide the blade along the spine, using smooth, controlled motions.
- Remove any bones as necessary, ensuring that you do not apply excessive pressure.

3. After Use:

- Clean the knife with warm soapy water and dry it completely.
- Store the knife in its synthetic sheath to protect the blade and prevent accidents.

Disposal Instructions

- When the knife reaches the end of its life, dispose of it responsibly.
- Do not throw the knife in regular household waste.

- Contact your local waste management authority for guidance on disposing of sharp objects safely.
