M&P S&W Nylon Folding Knife Safety Instructions

Introduction

Thank you for choosing the M&P S&W Nylon Folding Knife. This guide provides essential safety instructions to ensure the safe use and handling of your knife. Please read this manual carefully before using the product.

General Safety Guidelines

- Always keep the knife out of reach of children and vulnerable individuals.
- Ensure the knife is stored in a safe location when not in use.
- Inspect the knife for damage before each use. Do not use if damaged.
- Use the knife only for its intended purpose; do not use it for prying or as a tool for other functions.
- Always cut away from your body and keep your fingers clear of the blade.
- Be aware of your surroundings when using the knife to avoid accidental injury to yourself or others.
- If the knife becomes stuck while cutting, do not force it. Carefully remove it from the material.
- Always close the knife when not in use to prevent accidental cuts or injuries.

Specific Safety Precautions for Use

- The blade is sharp; handle with care to prevent cuts.
- Use the finger flipper and thumb stud to open the knife safely.
- Ensure the liner lock is fully engaged before using the knife.
- Do not attempt to modify the knife in any way, as this may compromise safety.
- Avoid using the knife in wet or slippery conditions to maintain a firm grip.
- If the knife is dropped, inspect it thoroughly for any damage before reusing it.

Instructions for Installation and Usage

1. Opening the Knife:

- Use the finger flipper or thumb stud to open the blade.
- Ensure the blade is fully extended and locked in place by the liner lock.

2. Using the Knife:

- Hold the knife firmly by the handle.
- Position the material to be cut safely on a stable surface.
- Cut away from your body, maintaining control of the knife at all times.

3. Closing the Knife:

- Ensure your fingers are clear of the blade.
- Press the liner lock to release the blade and carefully fold it back into the handle.

4. Cleaning and Maintenance:

- Clean the knife with a damp cloth after use. Avoid using harsh chemicals.
- Regularly check the blade for sharpness and damage. Sharpen or replace as necessary.

Disposal Instructions

- Dispose of the knife responsibly. If the knife is damaged beyond repair, wrap it securely to prevent injury and discard it in accordance with local waste disposal regulations.
- Do not dispose of the knife in a manner that could pose a risk to others.
