Hooyman Kukri Machete Safety Instructions

Introduction

Thank you for choosing the Hooyman Kukri Machete. This tool is designed for effective land management and is built with a focus on safety and performance. Please read these safety instructions carefully to ensure safe usage and maintenance of your machete.

General Safety Guidelines

- Always use the machete for its intended purpose.
- Keep the machete away from children and vulnerable individuals.
- Inspect the machete before each use to ensure it is in good condition.
- Store the machete in a safe place, preferably in its sheath, when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate protective gear, including gloves and safety goggles, when using the machete.
- Ensure your work area is clear of obstacles and bystanders.
- Use the machete in a welllit environment.
- Always cut away from your body to minimize the risk of injury.
- Do not attempt to catch a falling machete; let it fall to the ground.
- Avoid using the machete when fatigued or under the influence of substances that may impair your judgment.

Instructions for Installation and Usage

1. Inspect the Machete:

- Check for any visible damage or defects.
- Ensure the HGRIP™ handle is securely attached.

2. Using the Machete:

- Hold the machete firmly by the handle, ensuring a secure grip.
- Position yourself with your feet shoulderwidth apart for stability.
- When making cuts, use a smooth, controlled motion.

3. Cleaning and Maintenance:

- After each use, clean the blade with a damp cloth to remove dirt and debris.
- Dry the blade thoroughly to prevent rust.
- Store the machete in its custom sheath when not in use.

4. Sharpening:

- If the blade becomes dull, sharpen it using a suitable sharpening tool.
- Follow the manufacturer's instructions for sharpening to maintain the integrity of the blade.

Disposal Instructions

- Dispose of the machete responsibly at a designated recycling facility or according to local regulations.
- If the machete is damaged beyond repair, ensure it is rendered unusable before disposal to prevent

accidents.
