# Hooyman Curved Blade Hand Saw Safety Instructions

## Introduction

Thank you for choosing the Hooyman Curved Blade Hand Saw. This tool is designed for effective land management and to provide you with a safe and efficient user experience. Please read and follow these safety instructions carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the saw before use to ensure it is in good condition.
- Keep the saw out of reach of children and vulnerable individuals.
- Use the saw only for its intended purpose.
- Wear appropriate personal protective equipment (PPE), including gloves and safety glasses.
- Do not use the saw if you are tired or under the influence of drugs or alcohol.
- Store the saw in a dry and secure location when not in use.
- Report any unsafe conditions or product defects to authorities.

## Specific Safety Precautions for Use

- Ensure the work area is clear of obstacles and bystanders.
- Use the saw with both hands for better control and stability.
- Keep your hands and fingers away from the blade while cutting.
- Do not force the saw; let the blade do the work.
- Avoid cutting materials that are too thick for the saw.
- Do not use the saw in wet or slippery conditions.
- Always cut away from your body to avoid injury.

## Instructions for Installation and Usage

### 1. Unpacking the Saw:

- Carefully remove the saw from its packaging.
- Inspect the saw for any damage or defects.

### 2. Using the Saw:

- Hold the saw by the nonslip HGRIP™ handle.
- Position the blade on the material to be cut.
- Apply light pressure and begin cutting with smooth, even strokes.
- If the saw becomes stuck, stop and assess the situation before proceeding.

### 3. After Use:

- Clean the blade to remove any debris or sap.
- Store the saw in its custom sheath to protect the blade and ensure safety.

## Disposal Instructions

- Dispose of the saw in accordance with local regulations.
- If the saw is damaged beyond repair, ensure the blade is safely disposed of to prevent injury.
- Recycle components where applicable.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Hooyman Curved Blade Hand Saw, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Hooyman Curved Blade Hand Saw. Thank you for prioritizing safety!
