

Bubba Tape

[Gunsmith Tools & Supplies](#) > [Stock Work & Finishing](#) > [Stock Bedding Accessories](#) > [Bedding Tape](#)

We have developed a grip tape using the same material as our iconic, non-slip grip that can be applied to rod handles, knife handles, cooler bottoms and various other surfaces; acting in a similar manner as duct tape. The Bubba Grip Tape works as an all-around grip—offering the highest amount of versatility for all your fishing and adventure needs.

BUBBA Bubba Tape Safety Instruction Guide

Introduction

Thank you for choosing BUBBA Bubba Tape. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this guide carefully before using the Bubba Tape to familiarize yourself with the necessary precautions and procedures.

General Safety Guidelines

- Always ensure that the surface to which you apply the tape is clean, dry, and free from contaminants.
- Avoid using the tape on surfaces that are not compatible with adhesive materials, such as soft plastics or porous materials.
- Do not use the tape in environments where it may be exposed to extreme temperatures or harsh chemicals.
- Keep the tape out of reach of children and pets to prevent accidental ingestion or misuse.
- Regularly inspect the tape for any signs of wear or damage. Replace it if it shows any signs of degradation.

Specific Safety Precautions for Use

- When applying the tape, avoid contact with skin to prevent irritation.
- If the tape adheres to unintended surfaces, carefully peel it off to avoid damage to the surface.
- Do not use the tape for any purpose other than its intended use as a grip tape.
- If you experience any allergic reactions or skin irritations, discontinue use immediately and consult a healthcare professional.
- Ensure that the tape is applied in a manner that does not obstruct any safety features on tools or equipment.

Instructions for Installation and Usage

1. Preparation of Surface:

- Clean the area where you will apply the tape using soap and water or a suitable cleaner.
- Allow the surface to dry completely before proceeding.

2. Cutting the Tape:

- Measure the length of tape needed for your application.
- Use scissors to cut the tape to the desired length.

3. Application:

- Remove the backing from the tape to expose the adhesive side.
- Carefully position the tape on the desired surface, ensuring it is aligned correctly.
- Press down firmly on the tape to ensure it adheres well to the surface.

4. Finishing:

- Smooth out any bubbles or wrinkles by running your fingers over the tape.
- Allow the tape to set for a few minutes before using the item to ensure maximum adhesion.

Disposal Instructions

- Dispose of any unused or damaged tape in accordance with local waste disposal regulations.
- Do not incinerate the tape.
- If you are unsure about proper disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BUBBA Bubba Tape, please reach out to the designated EU contact point associated with this product.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with BUBBA Bubba Tape. Always prioritize safety and do not hesitate to seek assistance if you have any questions or concerns. Thank you for choosing BUBBA products for your fishing and adventure needs.
