# M&P M&P15 MultiTool Fixed Blade Knife Clam Safety Instruction Guide

## Introduction

Thank you for choosing the M&P M&P15 MultiTool Fixed Blade Knife. This versatile tool is designed to assist you in various tasks, particularly when working with AR platforms. To ensure your safety and the proper use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always use the knife and multitool as intended.
- Keep the knife out of reach of children and vulnerable individuals.
- Inspect the knife and tools before each use to ensure they are in proper working condition.
- Store the knife in a safe place when not in use, preferably in its sheath.
- Be aware of your surroundings when using the knife to avoid accidental injury.
- Do not use the knife for tasks it was not designed for, such as prying or hammering.

## Specific Safety Precautions for Use

- **Sharp Blade:** The knife features a sharp stainless steel blade. Use caution to avoid cuts and injuries.
- **MultiTool Features:** When using the multitool functions, ensure that all tools are securely locked in place before applying force.
- **Proper Grip:** Always maintain a firm grip on the knife to prevent slipping, especially when cutting or applying pressure.
- **Work Surface:** Use the knife on a stable surface to prevent accidents.
- **DistractionFree Environment:** Avoid using the knife in crowded or distracting environments.

## Instructions for Installation and Usage

### 1. Unpacking the Knife:

- Carefully remove the knife from the packaging.
- Inspect the knife and tools for any visible damage.

### 2. Using the Knife:

- Hold the knife firmly by the handle.
- Position the blade at the desired angle for cutting.
- Apply even pressure while cutting to maintain control.

### 3. Using the MultiTool Features:

- To use the castle nut wrench or any other tool, ensure that it is fully extended and locked in place.
- Use the appropriate tool for the task at hand, such as the bottle opener or screwdriver.

### 4. Cleaning and Maintenance:

- Clean the blade and tools after each use with a dry cloth.
- Avoid using abrasive cleaners that could damage the surface.
- Regularly inspect the blade for dullness and sharpen as necessary.

## **Disposal Instructions**

- Dispose of the knife responsibly when it reaches the end of its life cycle.
- If the knife is damaged or no longer functional, consider recycling the metal components where applicable.
- Follow local regulations for the disposal of sharp objects to prevent injury to waste handlers.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the M&P M&P15 MultiTool Fixed Blade Knife, please refer to the product packaging or manufacturer's website for appropriate contact details.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your M&P M&P15 MultiTool Fixed Blade Knife. Always prioritize safety and proper handling to enjoy the benefits of this versatile tool.
