Safety Instruction Guide for Hooyman ½" Fiberglass Poles

Introduction

Thank you for choosing Hooyman ½" Fiberglass Poles. This guide provides essential safety instructions and guidelines to ensure safe use and handling of the product. It is important to read and understand these instructions before using the poles.

General Safety Guidelines

- Always inspect the poles for any visible damage before use. Do not use damaged poles.
- Ensure that the poles are used in a manner consistent with their intended purpose.
- Keep the poles out of reach of children when not in use.
- Store the poles in a dry place to prevent deterioration.
- Be aware of your surroundings when using the poles to avoid accidents.
- Follow local regulations regarding outdoor equipment usage.

Specific Safety Precautions for Use

- Do not exceed the weight limit or load capacity of the poles.
- Avoid using the poles in extreme weather conditions (e.g., high winds, heavy rain).
- Wear appropriate personal protective equipment (PPE) when using the poles, such as gloves and safety glasses.
- Use the poles on stable ground to prevent slipping or falling.
- Do not use the poles for climbing or as a support for body weight.
- Ensure that the poles are securely anchored if used for support or stability.

Instructions for Installation and Usage

1. Preparation:

- Choose a suitable location for the use of the poles.
- Clear the area of any obstacles or hazards.

2. Installation:

- Insert the poles into the ground or the intended support structure firmly.
- Ensure that the poles are vertical and stable before applying any load.

3. Usage:

- Use the poles for their intended purpose, such as support for tents, tarps, or other outdoor applications.
- Regularly check the stability of the poles during use and adjust as necessary.

4. PostUse:

- Remove the poles from the ground or support structure carefully.
- Clean the poles with a damp cloth to remove dirt or debris.
- Store the poles in a dry location to maintain their condition.

Disposal Instructions

- Dispose of the poles in accordance with local waste disposal regulations.
- If the poles are damaged beyond repair, consider recycling the fiberglass material where facilities are available.

Contact Information for Further Support

For any inquiries or concerns regarding safety, usage, or product information, please refer to the EUbased contact point provided with the product packaging or documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Hooyman ½" Fiberglass Poles. Thank you for your attention to these important guidelines.
