Safety Instruction Guide for Hooyman 1/2" and 3/8" Fiberglass Poles

Introduction

Thank you for choosing Hooyman Fiberglass Poles. This guide provides essential safety instructions and guidelines to ensure the safe use of our products. Please read this document carefully before using the poles.

General Safety Guidelines

- Ensure that the poles are used only for their intended purpose.
- Always inspect the poles for any signs of damage before use.
- Keep the poles out of reach of children when not in use.
- Do not exceed the weight limit for the poles as specified by the manufacturer.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the poles.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

Specific Safety Precautions for Use

- When using the poles outdoors, be cautious of weather conditions that may affect stability.
- Avoid using the poles near electrical lines or in areas with high voltage.
- Do not attempt to modify the poles in any way.
- If the poles show signs of wear or damage, discontinue use immediately.
- Always use the poles on stable and even ground to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Before installation, ensure you have a clear area to work.
- Gather all necessary tools and equipment.

2. Installation

- Insert the poles into the designated ground or fixture securely.
- Ensure that the poles are vertical and stable before applying any load.

3. Usage

- When using the poles, maintain a safe distance from others to avoid accidents.
- Do not use the poles for climbing or as a support for heavy objects unless specified.
- Regularly check the stability of the poles during use.

Disposal Instructions

- Dispose of the poles in accordance with local regulations.
- Do not burn the poles as they may release harmful substances.
- If the poles are damaged beyond repair, recycle them if possible.

Contact Information for Further Support

For safety inquiries or product support, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Hooyman Fiberglass Poles. Thank you for your attention to safety!
