Caldwell Shooting Gloves Safety Instructions

Introduction

Thank you for choosing Caldwell Shooting Gloves. These gloves are designed for optimal performance while providing safety and comfort during shooting activities. This guide outlines important safety instructions and precautions to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the gloves for any damage or wear before use.
- Ensure that the gloves fit properly to allow for maximum dexterity and grip.
- Keep the gloves away from sharp objects to prevent punctures or tears.
- Avoid exposing the gloves to extreme temperatures or direct sunlight for prolonged periods.
- Store the gloves in a cool, dry place when not in use.
- Be aware of your surroundings and follow all safety protocols during shooting activities.

Specific Safety Precautions for Use

- **Slide Bite Protection:** The leather reinforcement patch is designed to protect against "Slide Bite." Ensure that the gloves are worn correctly to maximize this protection.
- **Dexterity and Grip:** The elastic backing and fingers provide a custom grip. Make sure the gloves are not too tight or too loose to maintain control.
- **Touch Sensitivity:** The touchsensitive fingertips allow for the use of smartphones. Be cautious when using devices to avoid distractions during shooting.
- **Vulnerable Groups:** These gloves are not designed for children. Ensure that they are used only by individuals who can safely handle shooting equipment.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Slide your hands into the gloves, ensuring that the fingers fit snugly without excess material.
- Adjust the fit as necessary to ensure comfort and dexterity.

2. Using the Gloves:

- Ensure that your hands are clean and dry before using the gloves.
- When handling firearms, always follow standard safety procedures and ensure that the gloves do not interfere with grip or control.

3. After Use:

- Remove the gloves carefully, avoiding any rough handling that may damage them.
- Clean the gloves according to the manufacturer's instructions to maintain their condition.

Disposal Instructions

- When the gloves reach the end of their useful life, dispose of them responsibly.
- Check local regulations for proper disposal methods for textile products.
- Do not incinerate or expose the gloves to open flame, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Caldwell Shooting Gloves, please contact the manufacturer directly through the appropriate channels. Always refer to the product packaging for additional contact details.

By following these guidelines, you can enjoy the benefits of your Caldwell Shooting Gloves while ensuring your safety and compliance with EU regulations. Stay safe and responsible while enjoying your shooting activities!
