Caldwell Shooting Bipods, Prone Model Black

Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Shooting Bipods, Prone Model Black. This guide provides essential safety information and instructions to ensure the safe and effective use of your bipod. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure that the bipod is securely attached to your firearm before use.
- Inspect the bipod for any signs of damage or wear before each use. Do not use if damaged.
- Use the bipod only for its intended purpose – supporting firearms during shooting activities.
- Keep the bipod out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that the shooting area is safe and clear of obstructions and bystanders.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.

Specific Safety Precautions for Use

- **Stability:** Ensure that the ground surface is stable and level before setting up the bipod.
- **Load Capacity:** Do not exceed the recommended weight limit for the bipod; refer to the product specifications for details.
- **Adjustments:** Make all adjustments to the bipod while it is not loaded with a firearm to prevent accidental discharge.
- **Shooting Position:** When using the bipod, maintain a proper shooting stance to ensure stability and control.
- **Weather Conditions:** Avoid using the bipod in extreme weather conditions that could affect its performance or safety.

Instructions for Installation and Usage

1. Installation:

- Remove the bipod from its packaging and inspect it for any damage.
- Attach the bipod to the firearm's mounting point according to the manufacturer's instructions.
- Ensure that the bipod is securely fastened and does not wobble.

2. Usage:

- Adjust the legs of the bipod to the desired height by pressing the release buttons and extending the legs.
- Ensure that the bipod is stable before placing your firearm on it.
- When ready to shoot, position your firearm in a comfortable and secure manner on the bipod.
- After use, retract the legs of the bipod and store it in a safe place.

Disposal Instructions

- Dispose of the bipod responsibly. Do not dispose of it in regular household waste.
- Check local regulations for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any safety inquiries or further support regarding the Caldwell Shooting Bipods, Prone Model Black, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Caldwell Shooting Bipods. Thank you for your attention to safety.
