# ULFHEDNAR "Loke" Multipurpose Adapter Safety Instructions

## Introduction

Thank you for purchasing the ULFHEDNAR "Loke" Multipurpose Adapter. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the adapter to maximize your safety and the performance of your equipment.

## General Safety Guidelines

- Ensure that the adapter is compatible with your Harris bipod and "Loke" before use.
- Always inspect the adapter for any signs of damage or wear before installation.
- Keep the adapter out of reach of children and vulnerable individuals.
- Follow local regulations and guidelines when using outdoor equipment.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the adapter only for its intended purpose, which is to attach a Harris bipod to the ULFHEDNAR "Loke".
- Do not exceed the weight limits specified by the manufacturer for your bipod and equipment combination.
- Avoid using the adapter in extreme weather conditions that may compromise its integrity or performance.
- Ensure that all connections are secure before using the bipod to prevent accidents.
- If you notice any unusual noises or instability during use, discontinue use immediately and inspect the adapter.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Ensure that both the Harris bipod and the "Loke" are clean and free of debris.
- Align the mounting points of the Harris bipod with the adapter.
- Slide the bipod into the adapter until it clicks securely into place.
- Doublecheck that the bipod is firmly attached to the adapter.

### 2. Usage Instructions:

- Adjust the bipod according to your shooting position for optimal stability.
- Regularly check the connection between the bipod and the adapter during use.
- When finished, carefully detach the bipod from the adapter by pressing the release button and sliding it out.

## Disposal Instructions

- Dispose of the adapter in accordance with local waste disposal regulations.
- Do not dispose of the adapter in household waste. Instead, take it to a designated recycling center if available.
- Ensure that any packaging materials are also disposed of responsibly.
