

Razor LH HD 3-15X42 HSR-4

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

RAZOR HD LH 3-15x42mm Riflescope features a one inch tube diameter, the body of the scope is machined from a single solid block of aircraft-grade aluminum.

Top-tier glass and precision machining in an ultra-sleek, lightweight package define the Razor HD LH. Simple, yet elegant, this riflescope is built to exceed expectations - no matter the person or extreme hunts they take it on. HD (High Density) extra-low dispersion glass, an APO apochromatic lens system, XR Plus premium fully multi-coated lenses and ArmorTek on exterior lenses combine to deliver stunning image quality. Tack-sharp resolution from edge to edge, coupled with its ultra-forgiving eyepiece, serves up a sight picture nothing short of impressive.

Hard-anodizing ensures superior durability and scratch resistance. O-ring seals prevent moisture, dust, and debris from penetrating the riflescope for reliable performance in all environments. Argon gas purging prevents internal fogging over a wide range of temperatures. Rifle hunters and shooters looking for a lightweight, optically superior, riflescope that tracks true, will find their match with the Razor HD LH.

VORTEX OPTICS Razor LH HD 315X42 HSR4 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Razor LH HD 315X42 HSR4 Riflescope. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. This guide is designed to help you understand the product's features, potential hazards, and safety precautions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to prevent damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this riflescope.
- **Stability:** Ensure that the firearm is stable and secure before aiming and firing.
- **Environmental Considerations:** Avoid using the riflescope in extreme weather conditions that could affect visibility or performance.
- **Moisture and Debris:** Keep the riflescope clean and free from moisture and debris to maintain optimal performance.
- **Transporting:** When transporting the riflescope, use a protective case to prevent damage.

Instructions for Installation and Usage

1. Mounting the Riflescope:

- Select a suitable mount compatible with a 1inch tube diameter.
- Securely attach the riflescope to the mount according to the manufacturer's instructions.
- Ensure that the riflescope is level and properly aligned with the firearm.

2. Adjusting the Reticle:

- Use the windage and elevation turrets to adjust the reticle to your desired point of aim.
- Make small adjustments and test the accuracy at the range.

3. Setting the Magnification:

- Rotate the magnification ring to set the desired level of zoom, ranging from 3x to 15x.

4. Utilizing the Eye Relief:

- Maintain an appropriate distance of 3.80 inches from the eyepiece to avoid recoil impact.

5. Cleaning and Maintenance:

- Use a soft, dry cloth to clean the exterior lenses.
- Avoid using harsh chemicals or abrasive materials that could scratch the lenses.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options for components made from recyclable materials.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the VORTEX OPTICS Razor LH HD 315X42 HSR4, please consult the manufacturer's website or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Razor LH HD 315X42 HSR4 Riflescope. Always prioritize safety and stay informed about best practices in firearm usage. Thank you for your attention to these guidelines, and enjoy your shooting experience!
