

Strike Eagle 1-6x24 AR-BDC3

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The new Strike Eagle 1-6x24 from Vortex now has even more functions in a slim, revised housing.

If you are looking for optics that shoots exactly like it looks, then the Strike Eagle is the perfect optic for you. A real 1x magnification at the living end makes the Strike Eagle extremely versatile, from a close distance to even large distances. To include this versatility, the new AR-BDC3 reticle provides optimal performance for short distances and holdover relationships up to 650 yards. Thanks to the built-in Throw-Lever, you have the magnification at lightning speed to the respective situation.

VORTEX OPTICS Strike Eagle 16x24 ARBDC3

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Strike Eagle 16x24 ARBDC3. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that your optic is used in a safe manner. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. In the event of a recall, follow the instructions provided for returning or repairing the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards as per EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Avoid Eye Contact:** Do not point the optic at any person or animal while adjusting or using it.
- **Secure Mounting:** Ensure that the optic is securely mounted to the rifle to prevent accidents during use.
- **Check for Damage:** Before each use, inspect the optic for any signs of damage. Do not use if damaged.
- **Use in Appropriate Conditions:** Avoid using the optic in extreme weather conditions that may impair visibility or safety.
- **Follow Local Laws:** Ensure compliance with local regulations regarding the use of optics and firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded before installation.
- Use the provided mounting rings to attach the optic securely to the rifle's rail system.
- Tighten the mounting screws evenly to avoid misalignment.

2. Adjusting the Magnification:

- Use the builtin ThrowLever to quickly adjust magnification settings as needed.
- Ensure that the magnification is set appropriately for your shooting distance.

3. Using the Reticle:

- Familiarize yourself with the ARBDC3 reticle to understand its features and holdover capabilities.
- Adjust the brightness of the illuminated reticle according to your environment using the 11 brightness settings.

4. Maintenance:

- Regularly clean the lenses with a soft cloth to maintain clarity.
- Store the optic in a cool, dry place when not in use to prevent damage.

Disposal Instructions

- **Environmental Considerations:** Dispose of the product in accordance with local environmental regulations.
- **Battery Disposal:** Remove the battery (CR2032) before disposal. Dispose of the battery at designated recycling centers to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Strike Eagle 16x24 ARBDC3, please refer to the designated EU contact point for assistance.

Thank you for choosing VORTEX OPTICS. Stay safe and enjoy your shooting experience!
